

Intrasquad Games Scheduled Friday

By HENRY BURKE
Press-Herald Sports Editor

Football of the dress rehearsal variety will add a lively note to return to school for students at West High, South High and North High Friday night.

A Green and White game will be played at 7:30 Friday at the South campus where Coach Ken Swift is involved in his second year as head mentor.

The Green and White game is also in its second year and according to Swift, it affords the football players a chance to perform under game conditions and provides the student body and friends the opportunity to become better acquainted with the squads.

The Spartan band, flag twirlers, and pep squad will perform between halves of the varsity and lightweight football action.

Coach Swift announced a tentative set of varsity line-ups, but also pointed out the possibility of team revisions.

The White team is composed of:

Ends — Steve Hertzog and Auggie Felando.

Tackles — Jim Kauble and Randy Bausman.

Guards — Bob Nicholas and Bob Jones.

Center — Jay Stuart.

Quarterback — Scott Christensen.

Halfbacks — Ronnie Locke and Mike Powers.
Fullback — Steve Jones.
Making up the Green team are:
Quarterback — Snapper Douglas.
Halfbacks — Dale Hewitt and Chuck Hobbs.

'Brown and Gold Night'

After dedicating its football stadium with a "Brown and Gold Night" a year ago, West High School will "repeat" the ceremony Friday night.

The show gets under way at 8:30 with the unveiling of a school marquee at the corner of Victor and Del Amo Blvd. The sign was purchased by last year's student body.

Members of the West choir, band, pep squad and drill team will salute the City of Torrance as an All-American City.

Class "B" and "C" teams will take part in the scrimmages along with the varsity.

Coach Fred Peterson, in his first year as head coach, announced the following line-ups, starting

with the Brown team:

Tackles — Scott Steele and Len Muellich.
Guards — Greg Taylor and Allan Coward.
Center — Tom Geary.
Quarterback — Ron Norman.
Halfbacks — Fred Schwanbeck and dJoel Hons.

The Gold team is comprised of:

Center — John Black.
Quarterback — Ron Sells.
Halfbacks — Jim Barnes and Paul Gadbois or Dave Boyd.
Fullback — Tim Clarke.

North Loses Henry Lopez

North High lost the services of quarterback Henry Lopez who broke an ankle in practice this week. Lopez will be out of action at least six weeks.

Because of the injury Coach Ed Levy said he would readjust his squads for Friday night's annual intrasquad Blue and White Game at the North Stadium.

Levy was able to report satisfaction with his backfield. Although the team lacks experience, Levy is particularly encouraged by a turnout of 80 varsity and junior varsity candidates. They include seven freshmen, five or six too big for the lightweights. He also indicated three or four sophomores could break into the second defensive unit.

Levy said Lopez would be replaced by Jerry Ball who was junior varsity quarterback a year ago.

Tartars Impress Coach

Torrance Coach John Trantham could not explain the small number of players on hand last week.

"We only had between 27 and 30 boys during the week, but they are good ones," he said. "Eventually the squad will number 40," he said.

The Tartars were scheduled to scrimmage South High this weekend, but it was cancelled by South because of its Green and White game. Torrance will scrimmage North on Monday instead.

The Tartars play their traditional opener against Redondo a week from Friday at the Torrance Stadium.

Other Sept. 24 games are: Palos Verdes at South; North at Warren; West at Rolling Hills (day); and St. Genevieve at Bishop Montgomery.

Parnelli To Enter USAC Race

Parnelli Jones of Torrance will compete in the USAC midget 50-lap main event over the quarter-mile track Saturday night at Ascot Park.

There's be a host of name drivers in the field, including the one-two point leaders, Allen Heath of Northridge and Johnny Moorhouse of Santa Ana.

"Unknown" Bob Behrens will drive his own Chevy II and has it tuned to perfection. In fact, there'll be at least 15 Chevy II's, but Behrens' is the top one, as his fourth and fifth place spots in his last two starts will attest.

The Downey driver may be a stranger to some fans who follow the more noted pilots, but physically he is one of the biggest in the game. He stands 6 ft. 3 in. and weighs 230.

Heath is one of the winningest drivers at Ascot and expects a hot personal duel from Moorhouse, who won the last USAC event at Fresno. After all, they have been staging a torrid campaign for the point leadership once the current summer season got rolling.

Billy Cantrell, USAC zone supervisor, predicts more than 45 entries as signed entry blanks are reaching his headquarters daily. George Benson of San Jose has entered his Johnson Machine Shop Special Offy. Johnny Baldwin of Palos Alto and Dick Atkins of Hayward are expected among the invaders.

After the midget attraction, Parnelli flies to Milwaukee Sunday for a 250-mile stock car race.

Qualifying at Ascot will start at 7 p.m. with the first race slated at 8:30 p.m.

Watt Named Loyola Coach

Joe Watt, former Redondo High athlete, has been named baseball coach at Loyola University.

Watt has been involved in adult recreation activities in Redondo Beach and once played professional baseball with the Pittsburgh Pirate minor league organization.

The appointment of Watt as Loyola coach was made by John Arndt, athletic director.

ROLLING HILLS DEBUT

Lakers Launch Practice Round

Eleven veterans, headed by all-pro superstars Elgin Baylor and Jerry West and four rookies reported to Loyola University Monday morning for the start of basketball training for the Los Angeles, Lakers.

Every man will be out for the two-a-day drills as

Coach Fred Schaus puts his defending western division champions through 14 practices prior to the first pre-league game against Boston, Sept. 24 in Seattle.

Highlight of the drills will be a regulation game intrasquad scrimmage at Rolling Hills High School on Saturday.

While all practice sessions will be closed to the public, the intra-squad game is scheduled for the benefit of the Rolling Hills High athletic fund, and tickets are on sale at \$2 for adults and \$1 for juniors 16 and under.

Veterans reporting to camp in addition to Baylor and West are Rudy LaRusso, Leroy Ellis, Dick Barnett, Gene Wiley, Jim King, Walt Hazard, Billy McGill, Don Nelson and Darral Imhoff.

The home NBA opener will be Oct. 26 between the Lakers and the New York Knicks.

Signups Set

For Soccer

A chance for boys to learn to play soccer and be a member of a team is offered by the American Youth Soccer Association starting next Saturday.

Registration will be held at Jefferson School, Carson and Hawthorne Blvd., Torrance. Boys who were under 13 before July 1 of this year are eligible to play.

Coaches are also needed, according to Bill Wolstencroft. He can be contacted for information at FR 7-2846.

Carey Hubert will open at quarterback Saturday night when El Camino opens its non-conference football season against Phoenix, Arizona, at 8 p.m. at Murdock Stadium.

Hubert, who completed 10 of 12 passes for 176 yards and two touchdowns against the Alumni last Saturday, is a former North High stalwart.

Hubert has beaten out Tom Torok of Serra and Bob Quarry, last year's North QB. Coach Ken Swearingen also listed a backfield combination of Bill Turner at fullback, Chuck Woods at left half, and Ed Pease at wingback. Mike Fitzgerald may fill in for Turner who is recovering from an injury.

After two weeks of practice Swearingen has come up with a nine-man alternating line. Joe Campeau is at center and Tom Brase, Luigi di Felice and Ron Murrey are the guards. Mike Hannigan and Glen Wrightstone are the tackles and Rick Eber, Dave Hubert and Don Albin at the ends.

Eber, a holdover first string end, caught both Hubert TD passes against the Alumni Saturday, beating the grads, 20-18.

Woods carried the ground load with 63 yards in nine carries.

On defense, El Camino will use Larry Horne, Mike Jacobs, Tim Thomas, Tommy Moss and Ron Rheinholdson in the secondary, Jim Bannister as the middle guard, Fred Dryer and Bob Jones at tackle, Dan Green and Jim Malone at linebacker, and Brian Olson, Ted Poltash, and Mike Carsey at end.

Olson has been bothered by a hip joint.

Slo-Pitch Attracts 13 Teams

The American Softball Association will hold its annual slo-pitch tournament in Torrance Friday, Saturday and Sunday.

Games will be played Friday at 7:30 p.m. at WALTERIA Park, El Nido Park, McMaster Park and Torrance Park. The semi-finals and finals Saturday afternoon and Sunday will be at Torrance Park.

Among the 13 teams participating, Tappa Keggas of Torrance is the defending champion. Other Torrance participants are the Dog Patch Kids, Wild Mustangs, Time Out and St. Lawrence Martyr Club.

Motoreycles Go Again

Motoreycles will use Friday's Ascot event as a warm-up for the 20-mile race in Sacramento slated Sunday afternoon.

Among the out-of-staters who should be in the Ascot field are Bart Markel of Flint, Mich.; Gary Nixon of Wheaton, Md.; George Roeder of Monroeville, O.; Darrel Dovel, Waukegan, Ill.; John Tibben, Chicago, Ill.; Fred Nix, Lawton, Okla., and Cisco Gonzalez of Tacoma, Wash.

This is the 22nd regular program of the season at Ascot, and as usual there will be the busy agenda in the three classes of competition: novice, amateur and expert, climaxed by 8-, 10- and 15-lap main events, respectively.

POINTING TO THE NEW FOOTBALL SEASON . . . West High School has come up with four good size ends. The pass catchers are (left to right) Dave LaRoche, Bruce Ostendorf, Steve Parton and Mark

Team Auto Races To Be Introduced

Eddie Sauer of Redondo Beach and Nick Thomas of Gardena head more than 100 ARA Figure 8 stock car dare-devils into fender-busting action Sunday night on Ascot Park's rugged criss-cross course at 8 p.m.

A varied list of further "Eighter" activities are set for the following week.

Ascot president Harry Schooler has re-set the rain postponed Labor Day weekend 100-lap Figure 8 winter championships to Saturday night, Sept. 25.

The Figure 8 drivers will embark on a new concept of auto racing itself was introduced Sunday night, Sept. 26, at Ascot as they stage the first of a series of stock car team races.

Under this plan ten individual teams of four will be formed. Each team will be under a separate captain, with its own separate car colors and will race as a team, allowed to block, parry and front for a teammate. For instance, Leon Garrett would pick three other drivers to comprise his team, as would such aces as Sauer, Thomas, Ed Gahler and the like.

The races will be held over the Ascot quarter-mile oval, and will offer a new kind of auto racing entertainment.

Schooler points out that Figure 8 racing itself was introduced in the same manner only four year ago, and now it is probably the most popular all-around type of racing staged at Ascot.

Trophy dashes, heat races and a multi-lap main event finale will comprise the team racing card, Schooler said.

Rams Make '65 Debut At Detroit

Its football for keeps Sunday as the Los Angeles Rams, who completed their pre-season schedule with a 3-2 record, move to Detroit for the 1965 regular season opener.

The game will be televised on KNXT, Channel 2, at 11:30 a.m. PDT.

The Rams have won one game in their last nine regular league encounters with the Lions.

Coach Harland Svare is optimistic about the coming season, feeling there is improvement ahead for the Ram fortunes and the composite five-game pre-season statistics seem to bear out his optimism.

The biggest improvement has been in the ball control department, where the Rams have run off 349 plays to just 287 for their combined opposition.

Last week's 34-14 win over the 49ers represented the Rams' best pre-season offensive display since the 37-7 win over the Redskins in 1962.

SCATBACK . . . Eddie Pease of El Camino College will be at the starting wingback position Saturday night when the Warriors entertain Phoenix in a non-conference football game. El Camino won a 20-18 game from its alumni last weekend. (Press-Herald Photo)
